

Home Cinema Center

System Design

Are you not quite sure which system will best suit your needs and available space?

We offer free in-home consultation provided by our most experienced personnel. Save time, money and installation problems by letting us come to your home and help you make sure your home theater system is even better than being at the movies!

- **Takes no more than 30 minutes**
- **Available evenings and Saturdays**
- **No charge! (Local only)**
